

ENGAGE:

My Personal Social Media Policy

I _____ fully acknowledge and recognize the influence of Social Media in the modern world, as well as my right to actively participate. I believe it is in my personal, best interest to recognize how Social Media directly affects me, my relationship with others as well as my success in school and employment both now and in the future.

I will always acknowledge my core values of _____

to establish clear, guiding principles as to how I will conduct and represent myself when engaging in social media. Through this commitment, to myself, I will cultivate an environment wherein the usage of Social Media contributes to the overall welfare of myself and those around me.
